

Call for lecturers:

35th VHYC yeast conference, May 06 - 07, 2024
“Yeast, sour dough, enzymes: baking with ?”
Berlin, Germany

Dear Ladies and Gentlemen,

You are an expert for baking and yeast technology, production & process units and food & feed applications?

We kindly invite you to present at **35th VH Yeast Conference 2024**, with the focus **“Yeast, sour dough, enzymes: baking with ?”**

The **VH yeast conference** is the peer-group meeting of yeast technologists and gathers about 80 people from industry, suppliers and academia. Our audience is eager to learn from and discuss with you.

You are invited to give a lecture, to present a poster on the topic suggested or a specific topic of your choice, and furthermore give a short presentation of your institution.

General topics of the 35th VHYC, May 06-07, 2024:

- Markets & methods
- Applied research
- Production & Automation
- Process units

Your lecture can take 25' + 5' for questions from the audience. Please check our **guidelines for lecturers for details**. If you are not available on the conference date yourself, please forward our request to your colleagues.

If any **young scientists** would like to present a **“poster” (5' short lecture) on their current work**, please encourage them to contact us.

Sponsors from the industry are invited to present recent process solution developments in the **“industry view slots” (5' short lecture)**. Please contact our conference office for three **sponsoring packages** (branding imprints, table top presentations, sponsoring of convivial event (parts) or lecturer invitations) under contact@vh-berlin.org

Conference fees:

You as a **lecturer are invited** on both conference days free of charge, as well as for accommodation (2 nights) and the convivial evening program. Your travel costs get reimbursed after providing us with your manuscript.

Co-authors can participate for reduced fee's.

If any questions remain, please contact us via e-mail or phone.

Thank you in advance!

Best regards

Dr. Michael Quantz
General Manager VH Berlin
